Learn How the Sangre de Cristo National Heritage Area Affects You.

Join representatives from the Sangre de Cristo National Heritage Area and History Colorado to learn about how the designation of the Sangre de Cristo National Heritage Area affects you. Representatives will discuss what the designation means to those who live within the boundary, how preservation of historic (public and private) properties within the boundary will be affected, what types of funding may be available to residents and more!

Why should you attend the workshop? Heritage areas present opportunities for residents and visitors to celebrate a region's cultural, natural, scenic, historic and recreational resources, but the benefits go beyond formal recognition. Heritage areas sprout partnerships among residents, businesses, nonprofit organizations, educational institutions, local governments and state and federal agencies that create more livable and economically sustainable regions.

About the Sangre de Cristo National Heritage Area

Designated in 2009 - the mission of the Sangre de Cristo National Heritage Area is to promote, preserve, protect, and interpret its profound historical, religious, environmental, geographic, geologic, cultural and linguistic resources.

About History Colorado

Established in 1879, History Colorado connects people to the stories, places and heritage of Colorado's past that provide perspectives on today and inspire our choices for tomorrow. Through exhibits, collections, educational experiences, and archaeology and historic preservation programs throughout the state, History Colorado brings history to life for audiences of all ages. Headquartered in the History Colorado Center, 1200 Broadway, Denver, CO 80203, find History Colorado at [Facebook.com/HistoryColorado](https://www.facebook.com/HistoryColorado) and on Twitter @HistoryColorado, #COHistory and #PreserveCO. For more information, visit HistoryColorado.org or call (303) HISTORY.
